

Lord of Life Lutheran Church Ministry Service Opportunities

By actively participating in the ministries at Lord of Life you will build meaningful Christ-centered relationships – friendships formed by serving together with fellow members. Such relationships help you feel welcome and cared for as a member of the Lord of Life family. All of us have been given spiritual gifts and unique talents by God, and these can be used to serve Him and carry out the work of His Kingdom in this place. As we serve our Lord, we help others to know Him better, and we live our lives in a way that honors Him.

As a disciple of Christ and a member of the Lord of Life family, I would like to serve in the ministry areas as indicated below. I understand that church staff and leadership will contact me to help in these ministry areas.

Name: _____

Phone: _____

Email: _____
